From the Collector of Mathurai, letter No.875-G. 50-A.10 dated 23rd January 1950.
From the Collector of Mathurai, letter No.21483 G.49-A.10 dated 23rd January 1950.

ORDER:-

The attention of the Collector of Mathurai is invited to the instructions issued in Memo.No.73708-F/49 Revenue, dated 6-1-50 and he is informed that all persons who come under the category of 'political sufferers' should be treated alike and that preferential treatement should be given to political sufferers who have undergone imprisonment.

2. The Government observe from the form of certificate issued by the Tamil Nad Congress Committee to a political sufferer regarding his eligibility for grant of land under the scheme for assignment of lands to political sufferers that the applicant is merely certified as a political sufferer without explaining the grounds on which he is considered to be a political sufferer. They consider that the Provincial Congress Committees should specify the grounds in the certificates issued by them. The Collectors are therefore informed that when they ask the Provincial Congress Committees for certificates they should request the Provincial Congress Committees to state in the certificates the grounds on which the certificates are issued. The Collectors should satisfy themselves whether for their reasons stated by the Provincial Congress Committees the applicant will come under the definition of 'Political sufferer' for purposes of grant of land.
